SPECIAL SERVICES
IN CITY CHURCHES

Home-coming Visitors to be
Made Welcome—General
Meeting For Tonight.

By Helena Clendenen.

In the vanguard of the army of visitors that will throng into South Bend for the centennial ceremonies, will be the home-coming bodies. The churches have recognized the opportunity and have prepared special programs for next Sunday's services. So the 100th anniversary of the admission of the state of Indiana into the Union, will be observed by appropriate religious ceremonies not only here and in Mishawaka, but all over St. Joseph county.

The First Evangelical church of South Bend, "the church with the glad hand," has issued a pretty little leaflet advertising its home-coming Sunday school rally, and announcing that the principal feature of the day will be the address of Editor H. A. Kramer, D. D., of Cleveland, O.

Elders Are Active.
One hears so much about the enthusiastic energy of the rising generation, that nobody ever seems to think of comparing the energy with that of its elders. A specific instance of the truth that spirit knows no age, is the manner in which the pioneers are entering into the rehearsals for their part in the great historical pageant to be given in Springbrook park the evenings of Oct. 3, 4 and 5.

Actuated by the undying spirit of these actors is Walter McKnight, a youth of 33, and you are going to see in the character of the man who lays out South Bend, the son of the original surveyor, and in that of the auctioneer, the original auctioneer, respectively, W. D. Bulla and John Hartman. You will recall the story of John Hartman's connection with the story of the bolt-tailed cow that J. M. Studebaker lost in his bet with Leighton Pine; and you will have the chance to locate J. M. S. in one of the prairie schooners headed for the gold fields. I don't mean to convey the idea that this trip was necessitated by the loss of the cow.

In connection with this pioneer feature, I must tell you that I made an error in attributing the words of the original woman's club song to "Father O'Donnell." "Johnny Appleseed's" song is his, but the words of the woman's club song owe their authorship to Mrs. Emma B. Harris.

Meetings For Tonight.
The spirit with which the pioneers are entering into this celebration ought to be a lesson to any lagard among the younger members of the cast and choruses.

So, everybody be on hand today with the right spirit for: Adult chorus, high school auditorium, 7:45 p. m.; Spanish war veterans high school building, 8 p. m.; Red Men of South Bend, 800 S. Michigan st., 8 p. m.

And if you want to bolster up your enthusiasm, go out to Springbrook park and see what is being done to insure artificial lake, and the stage lighting facilities, get another idea of the preparations in the news that the Ridenour Apron Co. is busy cutting up 4,375 yards of red, white and blue cloth into shawls to figure in the formation of the rays in the national sunburst.

FRIEND GOT HIS ROLL
Man Tells Story to Police But Withholds Name.

After spending Monday afternoon from 2 o'clock until 6 o'clock with a friend, whose name he either did not know or refused to give, W. M. Autin, 427 E. Jefferson Blvd., was relieved of \$14. It was on Mill st., back of 125 S. Michigan, where the friend made the "lift" and got away. The police are asked to look for the man.

Valuable cable worth approximately \$18 was taken some time previous to 10:45 o'clock Monday night from the supply house of the Central Union Telephone Co., at 120 W. Jefferson Blvd. No idea of the perpetrator of the crime could be obtained from the construction foreman, E. W. Linsay, who reported the theft.

LOST AUTO FOUND AT EAST LIVERPOOL, O.
C. A. Carlisle's Machine With Gasoline Tank Empty Located West of City.

All the way from East Liverpool, O., came the report to the police of this city, that a machine answering the description and bearing the license tag of the car lost by Adam Lydick of Buchanan, Mich., had been found. Mr. Lydick was informed of the discovery and after securing papers of introduction he will go to Ohio to reclaim his property.

Sixteen miles west of the city on the Lincoln highway, passing motorists found the deserted automobile of C. A. Carlisle. Mr. Carlisle reported the loss of his Studebaker, which he had purchased in front of St. Paul's Methodist Episcopal church, at about 10 o'clock Sunday night. When found the gasoline tank of the car was empty, but authorities are unable to decide whether or not that was the real reason for the abandonment of the car.

At 10 o'clock Monday night J. Q. Ames, 973 Riverside dr., reported the loss of his Studebaker machine, number 6295. Later it was found by the owner after someone had evidently used it for a joy ride.

FATHER OF BOY KILLED BY AUTO BRINGS SUIT
Matt Dolack of Gary Asks \$5,000 Damages in Action Against Frank L. Thomas.

Damages of \$5,000 are asked by Matt Dolack of Gary, whose six-year-old son was killed on May 21 by an automobile driven by Frank L. Thomas, who lives near Bremen, in a suit filed against Thomas and Charles H. Frazier and Frank A. Huff, who were with the former, in circuit court Tuesday morning. Frazier and Huff are automobile agents and were demonstrating a car for Thomas at the time the accident happened, near Gary.

Dolack charges that his son suffered a fractured skull and died a few hours after the accident as a result of his injuries. According to the complaint, the car was driven by Thomas only a half mile when the accident occurred, became excited when he saw the boy in the road and let loose of the steering wheel.

The boy was struck at a curve on what is known as the Ridge road, where the complaint says that along that particular place there are many trees and that the road cannot be seen around the curve. It is charged that Thomas did not sound a warning of the approach of the car.

CHILD DESERTER IS GIVEN SIX MONTHS
William O'Brien Has Contributed Nothing to Family's Support in Seven Years.

The testimony of Mrs. Esther O'Brien, heard in the city court Tuesday morning, was the means of the conviction of her husband, William O'Brien, of charges of child desertion. A sentence to pay a fine of \$50 and costs and to serve six months at the Indiana state penal farm was imposed.

O'Brien, according to the statement of his wife, has contributed nothing to the support of his child, who is scarcely seven months old. He is an old offender and within the year has served a sentence at the county jail on charges similar to those brought at the present time. Since his release his wife had no contact with him, and she could not tell the court whether or not he was working.

MAN OFFERED TO
SELL GIRL HOME

Testimony of Melina Trucharski in City Court Results in Sentences For Two.

Melina Trucharski, a ward of the juvenile court, enticed into a house of ill fame conducted by Charles Evans, by John Quick, was led into hopes of ownership of the house, which she "did not know was a bad house," and expected to make heaps of money by taking in roomers, only after she had paid the initial cost of \$150.

The two men were brought before the city court Tuesday morning and each of them sentenced to serve six months at the Indiana state farm. Charles Evans who, according to the testimony of Sgt. Barnhart, kept the house, was sentenced to the state farm for six months. John Quick, who was the keeper of the house situated at 112 E. Wayne st., was brought up on charges of keeping a house of ill fame.

It was he who offered to sell the place to little Melina for \$150. She was to pay him \$10 down and the remainder in installments. When asked how she intended to secure the future installments, she replied that she expected to take in room rent from the people staying at the house. She said that she did work about the house during the two weeks that she was there previous to her removal by officials.

While she was in the county jail immediately following her arrest, John Quick, who had first taken her to the house, wrote her a note and sent it to her by Mrs. M. Slater. The note was found on Mrs. Slater's person when she was taken into custody. It advised Melina to keep still and say nothing, and assured her that she had friends who would see to her welfare. Quick accepted a sentence of six months at Putnamville on charges of enticing a female, and charges of associating and of pandering were dismissed.

The following cases were also dismissed: Against Bianchi Opel, an inmate; Grace Slater, associating; Clifford Raymond, frequenting; Charles Johnson, frequenting; Harry Smith, frequenting; John Skelley, frequenting; Carl Clatterink, frequenting; and Elmer Buck, frequenting.

RED, WHITE AND BLUE
CENTENNIAL COLORS

Decorating Committee Anxious that No Discordant Note Creeps in Hangings Used.

Members of the decorating committee for the centennial celebration which will be unofficially opened next Sunday, are anxious that there be a uniformity of decorations in decking the city for the celebration.

A. H. Heller, chairman, L. C. Landon and S. G. Chard have been working for some time on a decorative plan for the city that would meet general approval, and are anxious that these plans be followed as closely as possible.

The American flag and national colors are the principal decorations in which the committee suggests the business houses and residences be attired. It is not desired to have discordant colors intermingled with the decorations, and although the committee is aware that it cannot compel anyone to follow the general plan, it requests that the decorator cooperate with the committee. The committee also urges that the decorations be in harmony with the decorations for the business houses and homes. It is suggested that Indiana's state flower, the "carnation," be used as much as possible in the floral decorating in addition to the state emblem, the "World Famed" globe.

Mr. Heller suggests that the Chicago flag and Decorating Co., with headquarters at 123 N. Main st., be called in to do any elaborate decorating. This concern has the contract for decorating the streets, central headquarters, the reviewing stand, and Springbrook park.

SHERIFF'S CONTENTION IS UPHELD BY COURT
Judge Ford Says It Is Not Bailey's Duty to Find Agent For Receivers.

Sheriff Bailey's actions in not serving a summons on Edgar T. Bonds, local manager of the Central Union Telephone Co., as a representative of four receivers of the company against whom a damage suit had been filed, were upheld by Judge George Ford in superior court Tuesday morning. The court sustained a demurrer to a petition for a writ of mandamus brought by Michael Flowers to compel the sheriff to serve the summons.

In sustaining the demurrer Judge Ford said that it was the duty of attorneys for an plaintiff to tell the sheriff on whom the summons should be served. The court said that it was not the sheriff's duty to serve a summons on the sheriff for any company unless his name appeared on the summons. An alias summons on Mr. Bonds was ordered Monday by Judge Ford who told the sheriff to serve it, if Mr. Bonds admitted he was the agent for the four receivers of the company.

In arguing the demurrer Tuesday morning Atty. R. S. O'Neill, who appeared for the sheriff, said that the original summons should not be served now, because it had become undated. The original summons ordered the defendants to appear in court Sept. 19.

TOMATO PRICE IS UP
Recent Frosts Send the Price Up to \$1.50 a Bushel.

Prices of tomatoes took a big jump at the city market Tuesday morning when several dealers disposed of them at \$1.50 a bushel. Recent frosts have caused a scarcity of tomatoes, and consequently the price has gone up. Potatoes were quoted at \$1.50 per bushel, spring chickens at 20 cents, and live old chickens at 17 cents. Strawberries were again on the market and sold for 20 cents a box, one dealer selling as many as 50 quarts.

The rain during the previous night did keep the farmers and their produce away, although there were not as many wagons at the market as there were last Tuesday. At 8 o'clock 55 wagons were lined up on the Colfax av. bridge.

Miss Katherine Weber, daughter of Mr. and Mrs. Frank J. Weber of Washington, D. C. is visiting Mr. and Mrs. J. H. Spurr, 219 E. South st.
